

International Forensics & Business Institute

One Year Certified Forensic Training Program

Certified Forensic Accounting & Fraud Detection

The US Department of Labour has identified forensic accounting as one of the hottest fields for the next decade !

Events such as Enron & WorldCom scandals and the US & Global financial crises have added to this demand !

Course Description

Become a Certified Forensic Accounting Specialist at IFBI!

IFBI offers its long running, highly acclaimed, 1-year, certified forensic training program. It covers:

- **Forensic Accounting & Fraud Auditing**
- **Financial Fraud Detection & Investigation**

The program consists of 15 modules divided into 3 semesters and runs for one year on a *part-time* basis. It is based on internationally accepted forensic training syllabi . It is taught according to ASTM standards by IFBI's court qualified, practicing forensic experts where graduates are trained to become forensic accounting specialists and earn the prestigious CFAS designation. Our main course instructor is widely regarded as one of the region's leading expert in this field.
